

2020 – 2021 Gabriel’s House & Music and Kids Concert Series Sponsorship Application

Gabriel’s House & Music and Kids Concert Series

In support of programming at Gabriel’s House and Music and Kids, Chuck Murphy will be performing in Local Events, Concert Venues, Regional Festivals, and Senior Centers in the Antelope Valley and beyond, with support from student performers from the Music and Kids and Gabriel’s House programs. These students are currently enrolled with these programs and have shown progress and promise in their performance skills. This series will bring joy and entertainment to audiences in the Antelope Valley, Southern California and beyond, and to the members of our communities currently residing or participating in programming at our local senior centers. In addition, live performances will enhance the skills being developed by the talented young people in the Music and Kids and Gabriel’s House programs and give them the feeling of accomplishment that should result from their hard work and practice.
